Martin County School District

Kindergarten Enrollment for the 2007-2008 School Year

The Martin County School District is pleased to announce **Kindergarten Registration Kickoff** for the 2007-2008 school year. Parents and guardians of children who will be five (5) years old on or before September 1, 2007, should register with the elementary school for which they are zoned, beginning **March 26, 2007**.

*Please note that new school boundaries go into effect in the 2007-2008 school year. You can call the school in your area to verify the boundaries and learn about registration times. In addition, all medical information must be current. Please plan ahead since physicians' offices become very busy prior to the opening of school. **By registering early, parents and guardians help the schools plan for the correct number of classes and teachers.**

Listed below are some important kindergarten registration reminders:
